

Can't

Can't talk it out
Can't dream it out
Can't paint it out
Can't scream it out
Can't block it out
Can't sleep it out
Can't drug it out
Can't even weep it out...

*So how do I
Ever, ever, ever, ever,
Ever, ever, ever get it out?!*

Can't kick it out
Can't eat it out
Can't push it out
Can't beat it out
Can't punch it out
Can't drink it out
Can't kill it out
My mind can't think it out...

*So how do I
Ever, ever, ever, ever
Ever, ever, ever get it out?!*

Can't hate it out
Can't hit it out
Can't kick it out
Can't spit it out

Can't shoot it out
Can't bash it out
Can't stab it out
Oh, I'd like to smash it out...

*So how do I
Ever, ever, ever, ever
Ever, ever, ever get it out?!*

*Just have to feel...
Just have to...
Feels so hard to feel...*

Can't draw it out
Can't read it out
Can't cut it out
Can't bleed it out
Can't sing it out
Can't live it out
Can't write it out
And can't forgive it out...

*So how do I
Ever, ever, ever, ever,
Ever, ever, ever, ever,
Ever get it out?!*
