

Evermore

God is our shelter and our strength
The only place where we can rest
God is our refuge in the storm
We will not fear for God is by our side

*Though mountains shake
Though oceans roar
Though wars are raging through the world
Though kingdoms rise
Though kingdoms fall
Our God is with us
Evermore*

Be still and know that God is near
The one who silences destruction
God's peace and justice shall prevail
Where desolation rules, we shout God's name!
