

Help

What kind of God is this
Who looks on dead relationships
And rejection as we learn to fear
Not knowing who we are?

*Where can I go to find the heart of me?
Where can I go to find acceptance now?
When my mind is dancing manically
Trying desperately to hide
Love suffers and dies*

What kind of God is this
Who enters into suffering
Who, during all the violence
Is nailed to a tree?

*This cross is where I find the heart of me
The cross is where I find acceptance now
Though my mind is dancing manically
Trying desperately to hide
You suffer and die*

Only the suffering God can help...
