

## ***You Caught Me***

With faith confined as nonsense  
In the trust of common sense  
Life refused to write itself  
On lines I'd neatly ruled  
Solid walls  
So hastily, so carefully assembled  
Collapsed in piles of rubble  
And were blown away as dust

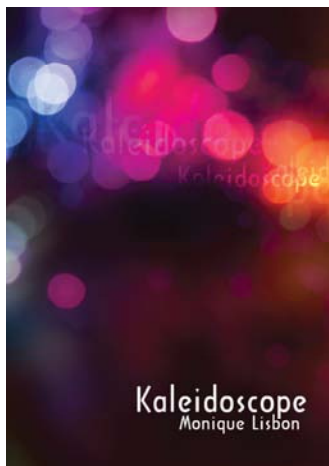

Absurdly you appeared  
A blinding shadow in the night  
All was stripped away  
You saw me, naked and afraid  
I could not hide, I could not move  
There was nowhere left to go  
You tempted me  
Invited me to die

Ridiculous!  
Demanding the impossible!  
To limit the unlimited  
To you and you alone!...  
Yet even I could not deny  
The only thing to do  
Was take a step...

*So I fell...  
Not knowing how, not understanding why  
I fell...  
Free in empty space...  
And you caught me*

Ridiculous –  
Embracing the impossible  
The years of oh so cleverly  
Defining and confining you  
A baby now  
To trust in eyes unknown  
And take a step...
