

For Her

Heard about a girl
Six or eight or ten
Somewhere in the suburbs
Heard about a man
Nameless, faceless
Somewhere in her terror

*And I could cry – for her
I could shake my fist – for her
I could grieve – for her*

Heard about a room
Filled with people
Somewhere in the system
Heard about a man
Judgment in his hands
Somewhere in the land of justice

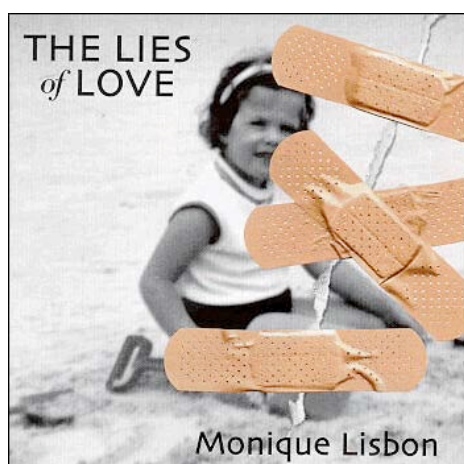

*He couldn't feel – for her
Didn't point the finger – for her
Put the blame – on her*

Heard about a world
Where water's wiped from eyes
Somewhere in tomorrow
Heard about a rule
Of justice and peace
Somewhere in the realms of love

*And I hold on – for her
I trust in truth – for her
I survive – for her*

*Victim to survivor
We won't give in!*
