

## ***Hold You Safely***

*I'll hold you safely  
Through the night  
Hold you safely  
Hold you tight*

No-one's gonna hurt you anymore  
No-one's gonna take away what's yours

*I'll hold you safely...*

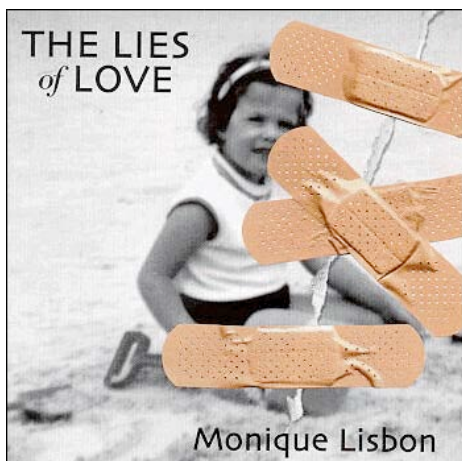

You can always tell me how you feel  
Through your hurting eyes I see it's real

I'll be here no matter what you do  
Nothing can destroy my love for you

*I'll hold you safely...*

*I'll hold you...*
