

Little Boy

Little boy
How do you see the world –
Do you see the lies of love?
Your innocence
In trust it tints him white
Your heart it bleeds red tears
You see the world as he pretends
And pain and fear your only friends

Little boy
How do you see him now –
Behind the lies of love?
Tormented soul
Still trapped within his arms
Your heart still bleeds red tears
Disgrace the message which he sends
And guilt and shame your only friends

Little boy
If you could only fly –
Far from the lies of love!
If only time
Could take it all away
Your heart must bleed red tears
You thirst for healing as it mends
But strength and hope still far-off friends
