

## ***Where Love's Enough***

I am homesick for a place  
A world I rarely visit  
Where love's enough

Where I run and run barefoot  
Make daisy chains and feel no fear  
Where love's enough

I will run away to a virgin memory  
And I will make a way  
To be fearless

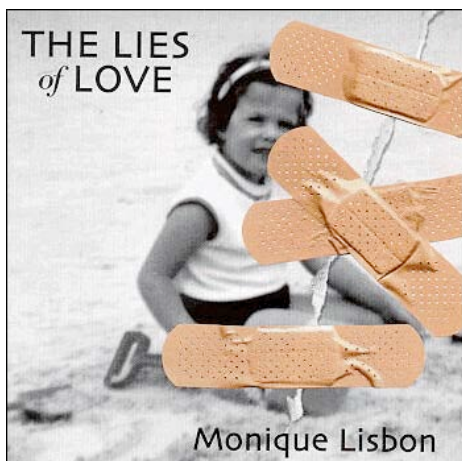

Hold me, comfort me  
Stop the noise of anger beating  
Lead me to a quiet place

Be there by my side  
Usher in the morning  
Promise me, stay with me  
Where love's enough

Will you take me by the hand  
And lead me to a quiet place  
Where love's enough?

Will you be there by my side  
To usher in the dawn  
Where love's enough?
