

You Scarred My Life

You scarred my life
You scarred my mind
You scarred my life
And I don't know how to be angry
You scarred my life

Winter's night
Trusting eyes
Terror lies
Betraying smile

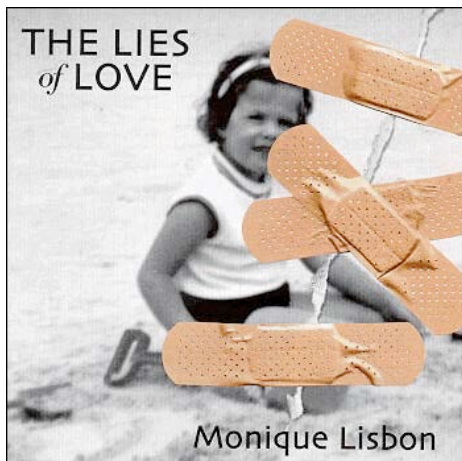

And I still have to deal
With the pain you left behind
And now what haunts my mind is this anger
Carved inside

And I don't know how to be...
You scarred my life

Winter's night
Trusting eyes
Terrorise
Betraying smile

You scarred my life
You scarred my mind
You scarred my life
