

## ***Release Us***

Down in the mud of our lives  
Drowning in our compromise  
Still we join our hearts in song!  
Stoking the fire of our pride  
Choking on fear locked inside  
Still we join our hearts in song!

*Release us, we want to be free!  
Heal us, we are broken people!  
Free us to join our hearts  
To praise the Risen One!*

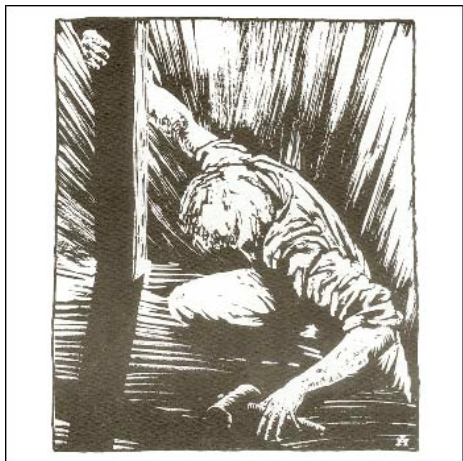

Serving our self-seeking gods  
Preserving our lives at all odds  
Still we join our hearts in song!  
Despairing in futility  
Tearing up all dignity  
Still we join our hearts in song!

*Release us...*

Come, shake the walls of our shame!  
Come, break the bonds of our chains!  
And we'll join our hearts in song!  
Consume bitter sorrow in flame!  
Pour molten hope from our pain!  
And we'll join our hearts in song!

*Release us...*
