

The Wings Of Your Love

When this life is hard
When the way is steep
When I need to know
Your grace is near

When I feel afraid
When my strength is gone
You have asked me Lord
To trust in you

*For you are the Lord
Holy Spirit, Comforter
You bear me up
On the wings of your love*

When I need to know
That you love me still
That your faithfulness
Is sure and strong

I know you are the Lord...

Yes, you are the Lord...

The wings of your love
