

## ***This Quiet Place***

Here we come Lord  
To this quiet place with you  
We bring our hearts Lord  
Please come change us and renew  
We bring our love  
We bring our doubts  
We bring our faith in you  
Here we come Lord  
To this quiet place with you

Here we are Lord  
In this quiet place with you  
We bring our questions  
Trusting you'll show what is true  
We bring our hopes  
We bring our fears  
We bring our trust in you  
Here we come Lord  
To this quiet place with you
