

## *Heal Your World*

For the healing of the nations  
For the healing of our world  
For the hearts of those who trade in war  
O gracious Lord, we pray

For the healing of the nations  
For each child that dies in need  
For the hearts of those who make the laws  
O gracious Lord, we pray

*Heal your world  
Heal your broken world  
Heal your world  
O gracious Lord, we pray*

For the healing of the nations  
For a world that's just and fair  
For the hearts of all of humankind  
O gracious Lord, we pray

*Heal your world...*
