

## *How Gracious*

If we had to earn the love of God  
Imagine the heights we'd have to climb  
If we had to find our own way to God  
Then no-one could swim the width of his sea

*Consider how great is the grace God has poured out on us  
Even when we were far away!  
How gracious is the love, the love of the Lord  
How gracious is our God!*

If Jesus had never lived on earth  
If he'd never known the tears we cry  
Then we'd never see the kindness of God  
The grace of the Lord in the death which he died

*Consider how great...*

If death were allowed the final word  
Then all of our faith would be in vain  
But God draws us on to live in his grace  
For Jesus is risen and life starts again

*Consider how great...*
