

So Many Times

*So many times, so many ways
Your voice is etched in me
with searing pain
But why oh why, oh why oh why...?
Why do I listen still
When I've unlearned so many lies?
So many lies, so many times.*

No longer bound by words of scorn
No longer deafened by my fear
And yet the murmurs of deceit
And shame, still whisper in my ear

*So many times, so many ways
I've learnt your face by heart
and know each line
But why oh why, oh why oh why...?
Why do I crave your smile
When smiles dismiss
the tears I cry?
So many tears, so many times*

*If I could simply let you go
How simple, how simple
would it be!*

My battered God is on his throne
His wounds are there for all to see
What does it mean for him to bear
All the suffering meant for me?

*A hundred times,
a thousand times
I'll keep forgiving you
a million times
For all the times,
and all the ways ...
An ocean's ceaseless tide
Hold on, let go, so many times
So many times, so many times*
