

## GOODBYE TO YOU

i wake in the night  
my night-light is shining brightly  
you fall in my mind's eye  
while i lie safe and sound

it's a very different picture  
from the nightmares i've survived  
as you fade away i hear my heart sing

*goodbye to you  
goodbye to all you meant to me  
goodbye to every lie you made me live  
goodbye to you  
goodbye to one i never knew  
goodbye to what never could have been*

and i guess i never saw you as mortal  
you held my life and death  
but now you must answer  
to the one true God
