

## ***Fear Not***

*Fear not, fear not  
For I am with you  
Fear not, fear not  
For I am with you  
I have called you by name  
You are mine  
Fear not, fear not  
For I am with you*

When you pass through the floods  
They shall not overcome you  
And flame shall not consume you  
You are precious to me

*Fear not, fear not...*

For I am the Lord  
The Holy One of Israel  
And I am God your Saviour  
You are precious to me
