

I Am Convinced

When we're convinced
That in this world there's nothing
That we can hold onto
When all around us
We only see the black of night
God comes to us in love

*And I am convinced that neither death nor life
Angels nor demons nor any powers
Nothing that we've done
Nor anything that we could do
Will separate us from the love of God in Christ*

If God is for us
Who can be against us?

And I am convinced...
