

We Know The Love Of God

O Lord your love is like a fire
Burning in our hearts
Your love is the flame
And so your Spirit fills our souls with you
Lights our lives up with your love

*And we know the love of God
Moving us, changing us
And we show the love of God
To everyone we know*

O Lord, you've given us your Son
Living in our lives
And dying our death
So may your Spirit fill our minds with him
Shape our lives with Jesus' love

*Til we know the Son of God...
Moving us, changing us
And we show the Son of God
To everyone we know*
