

When Jesus Christ Was Born

*Come let us sing out with joy to the Lord
The Saviour of the world has come
Sing to the One who put on our flesh
And was born in Bethlehem*

The angels sang a song when Jesus Christ was born
They'd never seen a sight like this before

Come let us sing out with joy to the Lord...

And Mary heaved a sigh when Jesus Christ was born
And in her weariness she thanked the Lord

Come let us sing out with joy to the Lord...

The shepherds left their flocks when Jesus Christ was born
In fear they worshipped him and spread the word

Come let us sing out with joy to the Lord...

What could the wise ones give when Jesus Christ was born?
They took their treasured gifts to show their awe

Come let us sing out with joy to the Lord...

How we live our lives now Jesus Christ is born?
Let's thank and praise the ones whom we adore

Come let us sing out with joy to the Lord...

*Sing to the one who put on our flesh
And was born in Bethlehem*
