

Your Surprising Love

Your surprising love
Your amazing grace
It frees the hearts of all your people
Your redeeming power
Your embracing arms
We trust your love O Lord
Your surprising love

*What can we give you?
Our lives seem small
When they're compared to you
We can't repay you
But we will give our love to you*

Your forgiving heart
Your accepting care
It shakes the fears
Of all your people
Your creating hands
Your sustaining truth
We trust your love O Lord
Your surprising love

What can we give you?...
